July 10, 1947 - Entered Mexico at Laredo. Customs  
formality thanks to letter of Sr. Zerillo. Car  
chatted up, gave check. Spent on 3 camera  
photographed picturesque thatched hut in typical  
re-escape. Sun in sky, very good - some dark  
I took some of numerous flight of small birds. Birds  
in air very busy, but very few. In evening

to the river, with my camera. In  
the morning I went to the  
Barracks. I saw many

collected a few to send me as  
perhaps the same as the ones for  
the 9. I have a few more to  
do but stop for the day. The  
apples I used at night  
again.

Very important to  
do the job properly.  
2 letters  
I will try to  
do the same thing  
to get the most out of  
the job. Many of the  
ones are  
of the same kind.

circle extending out. About every hour reaches

good, a Mexican contralto "Leading lady of songs  
of Mexico", not so good, 2 pairs of Spanish  
dancers 8 & 9, very good, mind reader, a gal  
probably good if you could follow Spanish.  
Dancing seemed impossible to follow, show  
so as to be able to tell - waiter much surprised  
we would leave before we had finished our dinner

July 20 Sunday. Started at central square here, my  
uncle crossed Villahermosa Park. In town - took  
down in American - only little bit left to see -  
Saw what is done in museum at 1.18 - 1.30 - 1.45

wandered - some took a short run, other entered  
market and gave some - 2.15 - 2.30 - 2.45

National to see Museo Nacional de Arqueología  
Monoliths - reading very impressive, to much taken  
by a huge frog of green stone - bought small copy.  
Bought me similar copy of good app. of red  
concrete - heavy. Wished to see Hall of  
Guns - closed for alterations. Went on - spoke

Very nice. 1st course: beef tenderloin with mushrooms, 2nd course: chicken with potatoes, 3rd course: fish with potatoes, 4th course: dessert.
